INNOVATEXP

INNOVATE. TRANSFORM. EXPERIENCE

As a Business Owner, Are You Facing These Challenges?

Presence Gap

Potential clients can't find you online or only see outdated info, leading to lost trust and missed opportunities.

Communication Black Hole

Managing inquiries manually via Telegram/WhatsApp is slow and error-prone. Premium referrals shouldn't become dead leads.

Data Silos

You have client data but no system to track it, wasting the network and resources you've worked hard to build.

Why InnovateXP? We Understand Business, Tech, and AI

Competitive Analysis and Our Vision

	Traditional Agencies	DIY (Wix/Shopify)	InnovateXP AI System
Setup Cost	High (HKD\$5,000 - \$10k+)	Time-consuming	HK\$3,880+
Speed	3-4 Weeks or longer	Depends on your availability	Rapid 5-Day Delivery
Automation	unstable add-ons	Hard to integrate tools	Native AI & WhatsApp Integration
Maintenance	High effort/Plugin updates	You are the IT support	Fully Managed & Worry-Free
